Hillcrest Response to the COVID-19 Outbreak

H.B.C is aware of the potential threat of the COVID-19 virus and has taken measures in order to minimize potential exposure.

H.B.C has already implemented several steps that will assist in lowering chances of exposure such as:

- 1) All hard surfaces, door handles and heavily trafficked areas are cleaned thoroughly with Clorox wipes and sprays at a minimum of three times/week.
- 2) Limiting handshaking during service as well as before and after services.
- 3) If you are at-risk, exhibiting flu-like symptoms, or if you are nervous about attending during this time, Livestream is available on our website as well as on our app.
- 4) If Livestream becomes an option for you, participating in the service through the giving of tithes and offerings will still be available by selecting the giving tab on our website, as well as by mail-in.
- 5) The staff here at Hillcrest is closely monitoring the situation and will post updates on our website.
