

THE PADILLAS TO GERMANY

FERNANDO AND AMY

Dear Pastor Joe and Hillcrest Baptist Church,

PRIMED BY THE PESTILENCE

The word pestilence in the Bible describes instances of disease like the one our world is currently experiencing. I have been surprised and thankful, especially in the last few days, to see that even strangers around us are more receptive to receiving gospel tracts. Fear of the coronavirus has led to a very good opportunity to witness to my parents over the phone. I went through the entire Gospel with my mom; please pray with us for their salvation. I'm also glad for the opportunity to give out hundreds of tracts so far this year. Praise the Lord for the visitors that the church in Ingolstadt has seen as well. It is through these kind of difficulties that the Lord draws His children back to Himself. I am praying that Ingolstadt, Germany, and the world will see many souls get saved during this time which feels so uncertain to those who do not know Christ and do not enjoy the peace, certainty, and stability which comes from Him.

NO RELIGIOUS GATHERINGS ALLOWED

Europe has been officially designated the new epicenter for the pandemic. In response to this the German government will not allow any gatherings for the time being. Please pray for us as we help the church family through this unprecedented time. We're planning on using various approaches to continue to minister to the church in the weeks ahead. I am also prepared to help those who are more vulnerable if necessary. Overall we have been staying informed and we feel peace from the Lord about remaining here with the German people during this time.
